REuse ME ...

CORIANDER PINXIT 'ENTCHEN-SCHWIMMSCHULE'

»If life gives you bad art – pep it up« **Coriander Pinxit** gives old paintings, found at flea markets, in apartment sales and thrift shops, a new life. With rubber ducks, paper boats, little monsters or bathing giants, painted into the picture as if they had always been there, Coriander Pinxit peeps up the old daubs and keeps them from forgetting and decaying. His art is a kind of repainting, he calls his works »Pep-Ups«. Coriander Pinxit aka Martin Arz lives and works as an artist, author and publisher in Munich, Germany.

'IN REUS FOAR IT SKÛTSJE FAN GROU'

... Grndr-guys ...

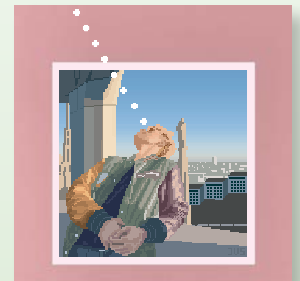

There are many chat sites where people are looking for short or long-term happiness or ecstasy. **Jan van Stralen** (1954) abstracts Grndr guys, transforming them into squares, wondering what is going on in their heads and leaving it up to the viewer what they are looking for or what they are looking at.

... & Peru

Walther Sánchez (1998) is a very talented artist from Arequipa, Peru. His work focuses on the male presence, the looks and introspection his boys can have amid landscapes or solid fields of colour, the self-analysis shown by the portrayed and its meaning for the viewer.
